

MALGRÀ

Brachetto is an aromatic black grape that is native to southern Piedmont. It makes a sweet, red wine that is very much appreciated for its aroma, which is pleasantly floral with prevalent notes of rose. The slow fermentation at a controlled temperature, interrupted when the must reaches 5.5% alcohol, guarantees freshness and a pleasant, natural effervescence.

GRAPE: Brachetto

AGING: 3 months in stainless steel tanks

COLOUR: soft ruby red

AROMA: intense, floral, with fresh notes of musk and rose

TASTE: sweet, fresh, elegant, and perfectly balanced sugars and acidity

PAIRINGS: perfect as aperitif, cocktails, and with desserts of fruit or pastries; also excellent with chocolate
