

# MALGRÀ

## NIZZA DOCG "GAIANA"

The "Gaiana" vineyard is located in Mombaruzzo on the right bank of the Belbo river at 150 m above sea level. The vineyards cover about 5 hectares of land, and they benefit from perfect sun exposure. The soils are characterized by limestone. "Gaiana" is one of the most representative wines of Malgrà: its smooth flavor and elegance are enriched with its ample bouquet, which matures after 12 months of aging in wood. A wine with a full body, this Nizza is rich and warm.

**GRAPE:** barbera.

**AGING:** 12 months in small barrels and at least 12 in the bottle.

**COLOR:** intense ruby red with typical violet reflections.

**AROMA:** ample and complex, with notes of wild berries, cherries, vanilla, coffee beans, and cacao.

**TASTE:** velvety and harmonic, with good balance, a full body, and a persistent, spicy finish.

**PAIRINGS:** accompany with roasted, boiled, and grilled meats and savory first courses.
