

# MALGRÀ

## NEBBIOLO D'ALBA DOC "POLESCO"

"Polesco" is produced in the Langhe and Roero areas. Its vineyards are planted at an average altitude of 300 m above sea level. Its soil is principally limestone and clay. "Polesco" is a classic expression of Nebbiolo: aged in oak barrels, it is distinguished for its structure, ample aromas, and great elegance.

**GRAPE:** nebbiolo.

**AGING:** minimum 6 months in barrels.

**COLOR:** intense ruby red with garnet reflections.

**AROMA:** complex, with aromas of cherry and blackberry, dried flowers and notes of spices.

**TASTE:** elegant, with a medium body, very balanced with soft tannins and a persistent finish.

**PAIRINGS:** first courses, roasted meat, game, mushrooms, and fresh to medium-aged cheeses.
